

WHAT TO EXPECT WHEN YOU'RE SEXUALLY ASSAULTED **RAPED** ON CAMPUS

- ✓ People will be really upset for two whole weeks.
- ✓ You're more likely to be raped than to stick with your major.
- ✓ Just because they wanted to Netflix doesn't mean you wanted to chill.
- ✓ People may be shocked to learn that 50% of the time rape doesn't involve alcohol.
- ✓ You will probably see your offender in the dining hall tomorrow.
- ✓ Your social circle will get smaller, but you'll become Yik-Yak (in)famous.
- ✓ For other people's comfort, your experience will be censored.
- ✓ Administrators will call it anything but rape.
- ✓ Your outfit will be scrutinized even if you're wearing footie pajamas (or a gorilla suit).
- ✓ "Helpful resources" are more helpful to the school than you.
- ✓ Other students will tell you what "actually" happened.
- ✓ You'll have to choose between justice and dignity.

In the 107 seconds it took you to read this, another American has been sexually assaulted.
